

LYME DISEASE SEMINAR RESOURCES

Thank you to all who attended our seminar on Lyme disease and other tick-borne illnesses in May 2019.

Below you will find some resources that were discussed at the program, including research studies, to help you find more information about tick-borne diseases as well as how to advocate for better testing/treatment and research.

Lyme Action Network

Facebook: <https://www.facebook.com/LymeActionNetwork/>

Website: www.lymeactionnetwork.org

Learn the Facts publication: <http://www.lymeactionnetwork.org/wp-content/uploads/2018/08/LTF-2018-FINAL.pdf>

Global Lyme Alliance: <https://globallymealliance.org/>

LymeDisease.org: www.lymedisease.org

Johns Hopkins School of Public Health Lyme research studies:

Three drug combination to treat persistent Lyme

<https://www.baltimoresun.com/health/bs-hs-lyme-treatment-20190423-story.html>

Three antibiotic cocktail clears persister Lyme bacteria

<https://www.jhsph.edu/news/news-releases/2019/three-antibiotic-cocktail-clears-persister-lyme-bacteria-in-mouse-study.html>

Essential oils kill persister cells

<https://www.jhsph.edu/news/news-releases/2018/essential-oils-from-garlic-and-other-herbs-and-spices-kill-persister-lyme-disease-bacteria.html>

New York State Senate Task Force on Lyme and Tick-Borne Diseases:

<https://www.nysenate.gov/committees/task-force-lyme-and-tick-borne-diseases>

New York State Senate Health Committee:
